Flipping The Classroom Worksheet

Use this worksheet to help create your flipping classroom. Write down your thoughts and ideas.

1. What are the objectives for my pre-class work and the in-class activity?

2. What are the objectives for the in-class activity?

3. What will the students do during class?

4. What will I do in the classroom?

5. How will I assess the students?

6. What materials will the students need to have for class?
