This is to certify that **Col Aimee L. Hawley, USAF, MC** served on active duty as a medical student officer (O-1, U.S. Navy) at the Uniformed Services University of the Health Sciences (USU) from **August 21, 1981** (initial USU active duty date) to **May 18, 1985** (USU graduation date). This period of active duty service is not creditable in determining eligibility for retirement. [See § 2114(c) & § 2126(a), title 10, U. S. Code.] However, as her initial USU active duty date is prior to 15 September 1981 (effective date of DOPMA), the time at USU is fully creditable active duty service for all other purposes including four years of constructive credit for longevity for pay.
