

Eric S. Holmboe, MD, MACP, FRCP, FAoME(hon), FRCPS Canada(hon)

Accreditation Council for Graduate Medical Education

Dr. Holmboe is Chief, Research, Milestones Development and Evaluation Officer at the Accreditation Council for Graduate Medical Education (ACGME). He is Adjunct Professor of Medicine at the Yale University School of Medicine and the Uniformed Services University of the Health Sciences. He is Adjunct Professor of Medical Education at the Feinberg School of Medicine at Northwestern University.

He began his Naval career as a General Medical Officer at the Naval Hospital Philadelphia and Camp LeJeune Marine Base. He served as the residency training officer and onsite USUHS internal medicine clerkship director at the Naval Hospital Portsmouth, Virginia, and later served as the Division Chief for General Internal Medicine at the National Naval Medical Center in Bethesda, Maryland. Dr. Holmboe retired from the US Naval Reserves in 2005.

After leaving active duty, he served as the Associate Program Director, Yale Primary Care Internal Medicine Residency Program, Director of Student Clinical Assessment, Yale School of Medicine, and Assistant Director of the Yale Robert Wood Johnson Clinical Scholars program. He joined the American Board of Internal Medicine in 2004 and served as the Chief Medical Officer from 2009 until 2014.

His research interests include interventions to improve quality of care and methods in the assessment of clinical competence, with a particular interest in educational and clinical outcomes research. His professional memberships include the American College of Physicians, where he is a Master of the College, Society of General Internal Medicine, and Association of Medical Education in Europe. He is an honorary Fellow of the Royal College of Physicians in London, honorary Fellow of the Royal College of Physicians and Surgeons of Canada, and honorary fellow of the Academy of Medical Educators.

Dr. Holmboe is a graduate of Franklin and Marshall College and the University of Rochester School of Medicine. He completed his residency and chief residency at Yale-New Haven Hospital and was a Robert Wood Johnson Clinical Scholar at Yale University.
