

UNIFORMED SERVICES UNIVERSITY OF THE HEALTH SCIENCES

SUBJECT: Management and Control of Information Requirements

Instruction 7750

(DRE)

MAR - 6 2008

ABSTRACT

This Instruction provides guidance related to the management and control of information requirements for the Uniformed Services University of the Health Sciences (USUHS). Included is a list of all reporting requirements for USUHS activities.

A. Reissuance and Purpose. This Instruction:

1. Reissues USUHS Instruction 7750a.
2. Implements DoD Directive 8910.1b, which requires agencies to institute a formal program to manage information.
3. Provides a listing of reports that must be provided to external activities.

B. References. See Enclosure 1.

C. Applicability. The provisions of this Instruction apply to all components of the USUHS.

D. Policy. It is USUHS policy:

1. To maintain sufficient information "available to achieve military effectiveness and management efficiency."
2. That reporting requirements will be examined to avoid both duplication and unnecessary generation of data.
3. That the central ingredient in information management is the user's

responsibility and accountability for assuring that information requirements are valid, accurate, and essential to the mission of the user's organization.

4. That information requirements that involve the collection of personal information on individuals require special handling under the provisions of DoD Directive 5400.11c. Information or data included in the proposed information requirement will be accessible to the public only as prescribed by DoD Directive 5400.7d.

5. That internal information requirements will be reviewed to avoid both duplication and unnecessary generation of data.

E. Responsibilities.

1. The Director, Review and Evaluation shall:
 - a. Serve as the USUHS Information Resources Management Representative (IRMR) and be the principal point of contact on the various information requirements.
 - b. Maintain an up-to-date index of

Resources Management Representative (IRMR) and be the principal point of contact on the various information requirements.

b. Maintain an up-to-date index of extended reporting requirements. (*See Enclosure 2.*)

2. The Vice President, External Affairs (VPE) shall coordinate all requests for information submitted under the terms of the Privacy Act or the Freedom of Information Act (FOIA).

3. Department Chairs/Activity Heads shall be responsible for controlling, filing, and meeting due dates.

Charles L. Rice, M.D.
President

Enclosures:

1. Reference
2. USUHS External Reporting Requirements
