1. Each quarter/semester must be listed in succession. All electives must be noted and must be degree-specific. If the elective is a required technical elective, it must be specified as such. Other technical electives and all humanities electives need only be listed as "\_\_\_\_# hours, humanities/other technical elective."
2. Based on my knowledge of present course scheduling, the above courses will be offered when indicated. Completion of this plan will meet the requirement for a MHAP degree in Master of Health Administration and Policy to be issued in June 2028 from The Uniformed Services University of the Health Sciences, Bethesda, MD.

\*\*\*First year (14 months) is full-time, in-person didactic coursework. Second year (10 months) is a full-time residency at a military/civilian health services organization.

QTR 9 # credit hours is required for full-time status during Fall, Winter, Spring, Summer (4.5 Cr. - Pre-fall
