2017 Science, Service, Mentoring and Medicine (S2M2) Jr. Program

S2M2 Jr Vision: To cultivate the next generation of top quality, culturally competent, physicians, scientists and health care professionals.

Mission: To encourage, nurture, and enhance the commitment to service and science in a welcoming and intellectually stimulating environment for a diverse population of middle school students.

Eligibility: Middle Schools students who are rising in the 7th, 8th, or 9th grade. Applicants should be in good standing academically, and have completed 6th grade science as a minimum. Scholars will be selected on the basis of scholastic achievement and interest in science, math, and if you enjoy discovering new things, solving problems, and learning how things work!

Program Duration and Dates: S2M2 Jr is a five-day program, Monday – Friday 9 a.m. - 2:00 p.m.

Dates: August 14 - 18th 2017.

There is no cost for the program. Participants are responsible for their meals.

Application Procedures: Submit application form, letter of recommendation and one-page essay by 1 June. ALL ITEMS NEED TO BE SUBMITTED AND RECEIVED BY 11:59 ON 1 JUNE 2017
