S2M2 2020 *Jr.*

SCIENCE, SERVICE, MENTORING & MEDICINE PROGRAM

VISION

To cultivate the next generation of highly skilled and culturally competent physicians, scientists, and healthcare professionals.

MISSION

To encourage, nurture, and enhance a commitment to service and medicine in a welcoming and intellectually stimulating environment for a diverse population of junior high school students.

TUITION-FREE 5-DAY PROGRAM

ACTIVITIES

- HIPPA – Patient Privacy
- Research Techniques
- Medical Technology

ELIGIBILITY

- Applicants should have completed 6th grade science.
- Open to rising 7th, 8th, and 9th graders
- Scholars are chosen based on scholastic achievement, demonstrated interest in S.T.E.M, fascination with discovery, problem-solving, and learning how things work
- Students are responsible for their own meals

PROGRAM DATES

Monday-Friday, 9:00AM-3:30PM
 Session I: August 17-21, 2020
 Session II: August 24-28, 2020

APPLICATION INSTRUCTIONS

Applications close at noon on May 1, 2020.

All components of the application are due by noon on May 1:

- One-page personal essay: Why is medicine important to you?
- One recommendation letter from teacher/counselor
- Application found at:
<https://www.usuhs.edu/medschool/diversity/s2m2>
