9:00AM to 3:30 PM

USUHS

FREE 5-DAY PROGRAM

STUDENTS RESPONSIBLE FOR MEALS

OPEN TO RISING 7-9 GRADERS

VISION: To cultivate the next generation of top quality, culturally competent physicians, scientists, and health care professionals.

Mission: To encourage, nurture, and enhance the commitment to service and science in a welcoming and intellectually stimulating environment for a diverse population of middle school students.

Eligibility: Applicants should have completed 6th grade science. Scholars are chosen based on scholastic achievement, demonstrated interest in S.T.E.M, fascination with discovery, problem-solving, and learning how things work

Instructions: Submit application packet, (1) letter of recommendation, and (1) one-page essay by 12:00 PM on 1 May 19 Apply online: usuhs.edu/medschool/diversity/s2m2
