11 October 2018

MEMORANDUM FOR MILITARY TRAINING NETWORK  
PROGRAM DIRECTORS AND ADMINISTRATORS

SUBJECT: American Red Cross Basic Life Support Course Implementation

1. Effective 1 November 2018, the following courses will be available for implementation at MTN Training Sites:

- a. BLS for Healthcare Providers Full Course
- b. BLS for Healthcare Providers Review Course
- c. BLS for Healthcare Providers Blended Learning Skill Session Course
- d. Adult and Pediatric CPR/AED
- e. Adult CPR/AED

(1) All courses require the use of latex-free disposable gloves. If latex free gloves are not available for immediate use, gloves may be “simulated” until supplies are purchased. All efforts should be made to purchase latex-free disposable gloves immediately.

2. The First Aid option will be released at a later date. Training Sites will receive the First Aid option agenda and equipment list directly from their respective Program Manager.

3. The BLS for Healthcare Providers Challenge course will be released for implementation at a later date.

4. Contact your respective MTN Program Manager at (210) 808-4484 or via email at [mtnreports@usuhs.edu](mailto:mtnreports@usuhs.edu).

  
JON A. SINCLAIR, Lt Col, USAF, NC  
Director, Military Training Network
