

**W**elcome to Tripler Army Medical Center, the premier military healthcare facility in the Pacific Region. Our program is honored to train talented residents who, at the conclusion of residency, are able to provide exemplary healthcare to women. We are looking for individuals who are enthusiastic, innovative, and dedicated to Women's Health to join our team. We are excited to meet you, demonstrate the premier OB/GYN residency in the military and show you all that Hawaii has to offer!

MAJ (P) Gary Levy, MD  
Program Director, OB/GYN
