

2016 Federal Health Law Course
13-14 September 2016
Course Evaluation

1. What were the course's strengths? Why?

2. How can the course be improved?

3. How would you rate the quality of instruction on a scale of "excellent, good, average, below average, or poor"? Why?

4. For those who attended via Defense Collaboration Services (DCS):

Did you feel you were able to benefit from the content?

Did you have any problems accessing the course?

Were you able to see and hear the presentations?

Did you feel you had an adequate chance to ask questions or make comments?

Do you have suggestions on how the experience can be improved?
