

TRISERVICE NURSING RESEARCH PROGRAM (TSNRP) RESEARCH AND EBP GRANT CAMP

North Island Naval Air Station, San Diego, CA

11-15 JULY 2016

Course Description:

The Research and Evidence-Based Practice (EBP) Grant Camp is designed for novice nurse scientists and graduate (master's and doctoral) nursing students who plan to submit a research or EBP grant application in response to a TSNRP Call for Proposals. The Research and Evidence-Based Grant Camp features a modest amount of didactic content about grantsmanship and a substantial time during which attendees apply the didactic content to continue writing their application on the appropriate grant application forms. Attendees receive faculty feedback regarding their grant applications throughout the course

Target audience:

TSNRP Research and Evidence Based Practice Grant Camp is designed for novice nurse scientists and graduate (master's and doctoral) nursing students who plan to submit a research grant application in response to a TSNRP Call for Proposals.

Eligibility:

Active Duty, Reserve, or National Guard master's or doctoral level military Nurse Corps Officers who are novice nurse scientists or graduate students with limited research experience and plan to submit a research grant application to the TSNRP.

Contact Hours:

31.5 Contact Hours

This continuing nursing education activity was approved by the Navy Medicine Professional Development Center (formally NAVMED MPT&E), an approver accredited by the American Nurses Credentialing Center's Commission on Accreditation.

Cost:

The TSNRP will pay travel, lodging, and per diem for invited participants. Travelers must attend on official TAD/TDY orders. Attendees are not authorized to make travel arrangements until the TSNRP sends them detailed instructions.
